

THE NAVIGATION INN

WOOL ROAD, DOBCROSS

A Brief History of The Navigation Inn

The Navigation Inn has stood proudly beside the waterways of Dobcross for generations, serving as a warm and welcoming stop for travellers, locals, and families alike. Originally built to support canal workers and horse-drawn barges, the pub became a cornerstone of the community, a place to rest, share stories, and enjoy hearty food.

Over the years, The Navigation Inn has evolved while preserving its heritage and charm. Today, it continues to honour its roots with traditional hospitality, classic pub dishes, and a commitment to quality, comfort, and community.

Our Promise

We take pride in offering freshly prepared food, warm service, and a relaxed atmosphere where everyone feels at home. Whether you're joining us for a family meal, a quiet drink, or a celebration, we're glad you're here. We're committed to doing things properly – honest cooking, fresh ingredients and service that feels personal every time. As a long-standing part of the Dobcross community, we aim to be a place where everyone is welcome: families, friends, walkers, locals, visitors and of course well-behaved dogs. Our promise is simple: a friendly pub you can rely on, fair prices, generous portions, clean surroundings, and a space where you can relax, enjoy yourself and always feel looked after.

Welcome to The Navigation Inn

From Eileen and Craig, we warmly welcome you and hope you enjoy your time with us.
